

NICOMATIC

COMPANY PROFILE

**HARSH
ENVIRONMENT
AND INDUSTRIAL
APPLICATIONS**

**CREATIVE INTERCONNECT
SOLUTIONS**

Since 1976

We develop value-added solutions
We rethink the user experience

We are

specialized in the design &
manufacturing of advanced
interconnect solutions

About innovation

We encourage creativity & reactivity to respond to expectations, changes and anticipate client requirements.

About quality

EN 9100, RoHS, REACH...
The control of all manufacturing stages is a guarantee for our clients to find an adapted solution to their needs.

About services

Time saving, online configurator & tracking order, technical service...
We do our best to help you in your projects, how ever ambitious they may be.

A close relationship with our customers

For years, Nicomatic has partnered with many clients in Harsh environment. We design and manufacture micro-connectors for delivery worldwide in a short lead time.

Premium products

Nicomatic is active in both standard & specific designs for harsh environments, industrial applications and man/machine interface. Most of our products are MIL-spec and satisfy a high level of use in electronic devices, systems and sub-assemblies.

We are ready to take up your next challenge!

Nicomatic looks towards the future

→ THE WORLD IS CHANGING SO WE ARE TOO

Human factor

is the key to success

Our major concern? Client satisfaction
& employee autonomy & well-being

Young people
are not with us
to look pretty

We deeply believe in them

**You are not
a number here**
but considered as
a real person

- We promote initiative & responsibility
- Have you heard the concept of liberated leadership & empowerment?

Your voice
matters

- Our saying is *If you say it, you do it*
- Here responsibilities are taken, not given

Human progress
is about

- Diversity: 21 different languages spoken
- Gender equality: 50% Male/female employees

Our final word
on organisation

- We limit the importance of hierarchy
- We encourage creativity & reactivity
