**油桶滴漏吸附垫 / Drum Toppers**

型号: **ODT5**

直径: **56cm**

包装: **5 片/包**

吸附量: **5L**

Our absorbent drum pad toppers will keep your drums, and barrels, clean and protect surrounding areas. Great for absorbing drips from leaking pumps and will help keep your storage area clean too. Manufactured with a pre-cut holes and fits drums up to **56cm** diameter

Will only absorb oil or hydrocarbon based liquids and oils and repel water.

**索状油品吸附棉 /吸油条**

Our Oil Only absorbent socks are hydrophobic, they will repel water and will only absorb oil or hydrocarbon based products. They will float on water and are ideal for use on waterways, ponds, collection pools and reservoirs. You can wrap them around messy, leaking, machinery and their high absorbency means that you can leave them longer without changing socks.

Extremely effective at catching outdoor spills, even in the wet. You can use them to capture surface oil run-off when it rains, before it enters the storm drain.

型号	描述	尺寸	吸收量 (升)
OS20	20 条/箱	8cm x 1.2M	90
OS40	40 条/箱	8cm x 1.2M	180
